- Installation instructions

Assembly:

Safety:

CAUTION: Using the product with heavier weights than indicated may cause instability and possible injury.

- Please follow the assembly instructions carefully. Incorrect installation can lead to damage or serious injury.

- Use appropriate protective equipment and tools. The product should only be installed by professionals.
- Ensure that the mounting surface can securely support the combined weight of the device and all attached items and components.
- Use the mounting screws provided and **DO NOT OVERTIGHTEN the** mounting screws.
- The product contains small parts that may pose a choking hazard if swallowed. Keep these items away from children.
- The product is intended for indoor use. Using it outdoors may lead to damage to the product and personal injury.

IMPORTANT: Make sure you receive all parts according to the component checklist before installation. If any parts are missing or defective, please contact your dealer for replacement.

MAINTENANCE: Check that the product is safe and stable during use at regular intervals (at least once every three months).
