Specifications:

- **Warranty:** 1 year
- **Color:** Black
- **Material:** Aluminum
- **Surface Finish:** Powder Coating
- **Number of monitors:** 1
- **Min. monitor diagonal:** 13"
- **Max. monitor diagonal:** 32"
- **VESA Standard:** 75x75, 100x100
- **Weight per monitor:** 9 kg
- **Height adjustment:** Gas spring assisted
- **Arm swivel range:** +90° ~ -90°
- **Monitor Rotation Range:** +360° ~ -360°
- **Monitor tilt range:** +35° ~ -45°
- **Max. arm overhang:** 307 mm
- **Package dimensions:** 40 x 34.5 x 28 cm
- **Handle weight:** 3 kg
- **Handle weight with packaging:** 3.5 kg

Set contents:

- Monitor mount
- Screws and mounting washers
- Manual

General Instructions:

- Before using the monitor mount for the first time, read the user manual carefully to ensure that the device is properly attached and ready for use.
- The mount is intended for use in dry rooms only. Avoid exposing the device to water, moisture, and extreme temperatures.

Safety Precautions:

• **CAUTION:**

Using the product with a load greater than the indicated load capacity may lead to instability, which may result in possible injury. Please follow the installation instructions closely. Improper installation may result in damage to the mount or serious personal injury. Ensure that the supporting surface can securely support the combined weight of the equipment and all attached mounting hardware and components. Use the included mounting screws and DO NOT over-tighten the mounting screws. Over-tightening can lead to damage to the handle or the equipment being mounted.

• **Small components:**

The product contains small components that may present a choking hazard if swallowed. Keep these components away from children.

• **Internal use:**

The product is intended for indoor use only. Using this product outdoors may lead to product failure and personal injury.

IMPORTANT:

Ensure that you receive all parts according to the component list prior to installation. If any parts are missing or defective, contact the manufacturer.

Installation and Mounting:

- When mounting, make sure the mount is properly fixed to the

mounting surface to ensure safety and stability. Do not use additional tools or modify components that are not included in the kit.

Protection against damage:

- Use caution when installing the handle, especially when using tools to tighten screws. Use proper mounting hardware to prevent accidental damage.

Storing the device:

- If the monitor mount will not be used for an extended period of time, make sure to store it in a dry, cool place away from moisture and heat sources to prevent damage.

Following the above rules will help ensure the safe use of the monitor mount, increasing its durability and stability.
