Precautions

WARNING: Using the product with a load greater than the specified load capacity may cause instability, which may result in injury or damage to the equipment resting on the handle.

Please follow the installation instructions carefully. Improper installation can lead to damage or serious injury.

Use the right safety precautions and the right tools. This product should only be installed by professionals.

Make sure that the support surface can safely support the total weight of the device and all connected components and mounting hardware.

Use the included mounting screws and washers and **DO NOT over-tighten the mounting screws.**

The product contains small parts that may pose a choking hazard if swallowed. Keep these parts away from children.

This product is intended for indoor use only. Outdoor use of this product may cause damage to the product.

IMPORTANT: Before installation, make sure you have received all parts according to the component list. If any parts are missing or defective, please contact us.

MAINTENANCE: Check regularly (at least every three months) that the product is safe and suitable for use.
