Specifications:

- **Warranty:** 1 year
- **Color:** Silver
- **Material:** Aluminum, Steel, Plastic
- **Surface Finish:** Powder Coating
- **Number of monitors:** 1
- **Min. monitor diagonal:** 17"
- **Max. monitor diagonal:** 32"
- **VESA Standard:** 75x75, 100x100
- **Monitor Weight:** 2.5~10kg
- **Height adjustment:** supported by a mechanical spring
- **Arm swivel range:** +90° ~ -90°
- **Monitor swivel range:** +90° ~ -90°
- **Monitor tilt range:** +45° ~ -45°
- **Max. arm overhang:** 460 mm
- **Installation:** clamp, grommet
- **Porty:** 1xUSB 3.0 Port,1xTYPE-C
- **Handle dimensions:** 118 x 545 x 650 mm
- **Package dimensions:** 410 x 200 x 150 mm
- **Handle weight with packaging:** 3.6 kg

Set contents:

- Monitor mount
- screws and mounting washers
- Installation instructions

Installation Tips

CAUTION: Using the product with a load greater than the indicated permissible load may lead to instability, which may result in possible injury.

Please follow the installation instructions closely. Improper installation may result in damage or serious personal injury.

Ensure that the supporting surface can securely support the combined weight of the equipment and all attached mounting hardware and components.

Use the included mounting screws and **DO NOT over-tighten** the mounting screws.

The product contains small components that may present a choking hazard if swallowed. Keep these items away from children.

The product is intended for internal use only. Using this product outdoors may lead to product failure and personal injury.

IMPORTANT: Make sure you receive all parts according to the component list before installation. If any parts are missing or defective, please contact us.

General instructions:

- Before using the monitor mount for the first time, read the

user manual carefully to ensure that the device is properly attached and ready for use.

- The mount is intended for use in dry rooms only. Avoid exposing the device to water, moisture, and extreme temperatures.

Installation and mounting:

When assembling, make sure the mount is properly attached to the mounting surface to ensure safety and stability. Do not use additional tools or modify components that are not included in the kit.

Protection against damage:

Use caution when assembling the handle, especially when using screw tightening tools. Use proper mounting hardware to prevent accidental damage.

Device Storage:

If the monitor mount will not be used for an extended period of time, make sure to store it in a dry, cool place, away from moisture and heat sources to prevent damage.

Following the above rules will help ensure the safe use of the monitor mount, increasing its durability and stability.
