## Specifications:

- **Warranty:** 1 year
- **Color:** Maple
- **Material:** wood, steel
- **Load:** 25 kg
- **Mounting method:** clamping screw
- **Handle dimensions:** 65 x 25 x 2 cm
- **Weight:** 2.85 kg
- **Weight with packaging:** 3.5 kg

## Kit contents:

- keyboard holder,
- mounting screws.

## General instructions

Before using the keyboard mount, stand, or drawer for the first time, read the user manual carefully to ensure that the device has been properly attached and configured. The appliance is intended for use in dry rooms only. Avoid exposing it to water, moisture and extreme temperatures.

## Device Assembly

- **Screwing to the table:** Make sure that the handle, stand, or keyboard drawer is properly attached to the table top, according to the manufacturer's instructions.
- **Stability:** Check whether the device is firmly fixed to prevent it from loosening or falling during use.

**Warning:** Use caution during assembly to avoid damage to the table top and to ensure safe use of the appliance. Use the correct tools and screws, in accordance with the manufacturer's recommendations.

## Protection against damage

A handle, stand, or keyboard drawer are devices that can be subjected to stress. Avoid overloading the device to prevent damage. Check the fixing condition regularly, especially if the appliance is used for extended periods of time or under intense conditions.

## Maintenance and cleaning

- Regularly clean the handle, stand, or drawer from dust and dirt using a soft, dry cloth. Avoid using harsh chemicals that may damage the surface of the appliance.

- Check the condition of the guides (if applicable) and make sure they are running smoothly with no resistance.

## Device storage

- If the handle, stand, or drawer will not be used for an extended period of time, make sure it is turned off (if the device has active functions) and disconnected from any power-using devices.
- Store the appliance in a dry, cool place, away from moisture and heat sources to prevent damage.

Following the above rules will help ensure the safe use of keyboard mounts, stands, and drawers, increasing their durability and comfort of use.
