Set contents:

- Computer holder,
- mounting screws,
- Manual

Usage:

Please read the entire user manual before starting installation and assembly.

Caution: Use with products heavier than the indicated rated weights may result in instability and potential injury.

- The handles must be attached as specified in the installation instructions. Improper installation may result in damage or serious personal injury.
- Use protective equipment and appropriate tools.
- This product is intended to be installed on solid concrete or brick walls only.
- Make sure that the supporting surface can safely support the weight of the device and all components attached to it.
- Use the mounting screws provided and do not overtighten them.
- This product contains small components that may pose a hazard if swallowed. Keep these items out of the reach of children.

Maintenance:

At regular intervals (at least once every three months), check that the handle is stable and safe to use.
