

# 1 Platform scale with a load capacity of up to 300 kg wagPRO-P300

**The Platform Warehouse Scale wagPRO-P300 allows precise weighing of goods up to 300 kg thanks to a sturdy metal platform with tabs that prevent items from moving.**

Equipped with an intuitive control panel, functions such as tare, piece counting and summing, and a built-in rechargeable battery that provides up to 2 days of operation, it is ideal for industrial and warehouse use.
