

Retail scale with display and a load capacity of up to 30 kg PRO-S30

1

The PRO-S30 scale offers precise weighing of products up to 30 kg, offering convenience and mobility. Equipped with a metal platform, an easy-to-read display and functions such as tare or automatic shut-off, it will work well in many industries. The built-in rechargeable battery allows you to work for up to 2 days without power.

Model	wagPRO-S30	Battery capacity	4 Ah
Material	Steel, Plastics	Battery life	up to 2 days
Maximum nominal load	30 kg	Standby time	up to a week
Accuracy	+/- 1 g	Operating Temperature	-10-40°C
Maximum permissible load	100% of nominal load	Storage Temperature	-25-50°C
Scale verification	no	Operating humidity	up to 90%
Display	digital, up to five numbers	Device dimensions	30 (L) x 27 (W) x 11 (H) cm
Automatic backlight dimming	after 10 seconds of inactivity	Weighing platform dimensions	26 x 22 cm
Additional Features	scale tare, screen backlight, automatic shut-off function	Weight of the device	3 kg
Battery Type	lead-acid	Weight with packaging	3.4 kg
Power	mains, battery
